Helpful Information about Lyme disease

[20 Reasons Why Lyme Disease Is Underdiagnosed–Summary](#)

[20 Reasons Why Lyme Disease Is Underdiagnosed–Full](#)

An excellent informational booklet by the Lyme Disease Association of Southeastern PA.

This is very well written for the newcomer to Lyme disease and other tick borne diseases.

http://www.lymepa.org/html/the_basics_-_description.html

"Update on Lyme Disease" by Ginger Savely RN, FNP-C is a comprehensive overview written in a way the layman can understand the basics.

http://clinicianreviews.com/index.asp?show=lesson&page=courses/105213/lesson.htm&Isn_id=105213

Lyme disease symptom checklist by North Carolina Lyme Disease Foundation.

<http://www.nclyme.org/questionnaire.html>

Restored here at: <http://lyme.kaiserpapers.org/pdfs/lyme-questionnaire.pdf>

A concise outline of Lyme disease diagnosis, test interpretation, treatment, and coinfections.

<http://www.holtorfmed.com/lyme-disease.html>

For an excellent presentation on Lyme disease testing (and treatment) see;

http://www.ilads.org/lyme_disease/media/pdf/Ray_Stricker_Presentation.pdf Steven Harris ILADS

presentation - Augsburg, Germany - May 28, 2011

Strategies for the Treatment of Lyme Disease

A superb and comprehensive presentation on Lyme disease diagnosis,

testing, and treatment.
